The Challenge of the 80's: A New Beginning

Each new year brings challenges for learning and uncovering new ideas and abilities in such diverse subjects from arts and crafts to the mind boggling problems in math and physics.

Also, the year 1980 gave us the opportunity to evaluate our governmental leadership. Were the current policies and leadership sufficient to meet the challenges of the 80's or should we establish a new beginning in our national, state, and local governments?

Change — To Meet the Needs of Tomorrow

Change is the evolution of time. We see the continuous growth in our neighborhoods: roads are being widened, new buildings constructed and old ones renovated.

Southwood students experienced changes that time produced. As a student moves from his freshman year through his senior year, he is forced to assume an increasing responsibility for himself and his community.

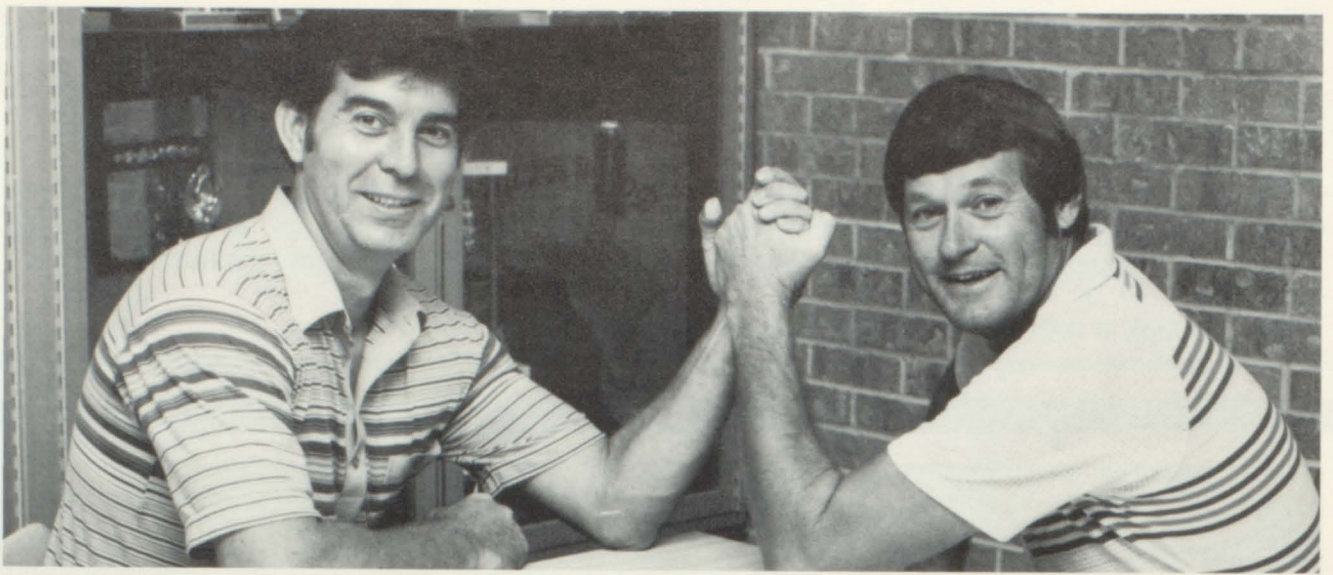

The Students Have Gone Straight

The classic "fifty" look found its way back into the closets of the youth. Straight, dark blue jeans and slim skirts appeared on those who were style conscious.

The new look in fashion also revealed original-

ity. French braids became popular for those who could master the technique. But, of course, the ever popular t-shirt did not fade from the fashion scene.

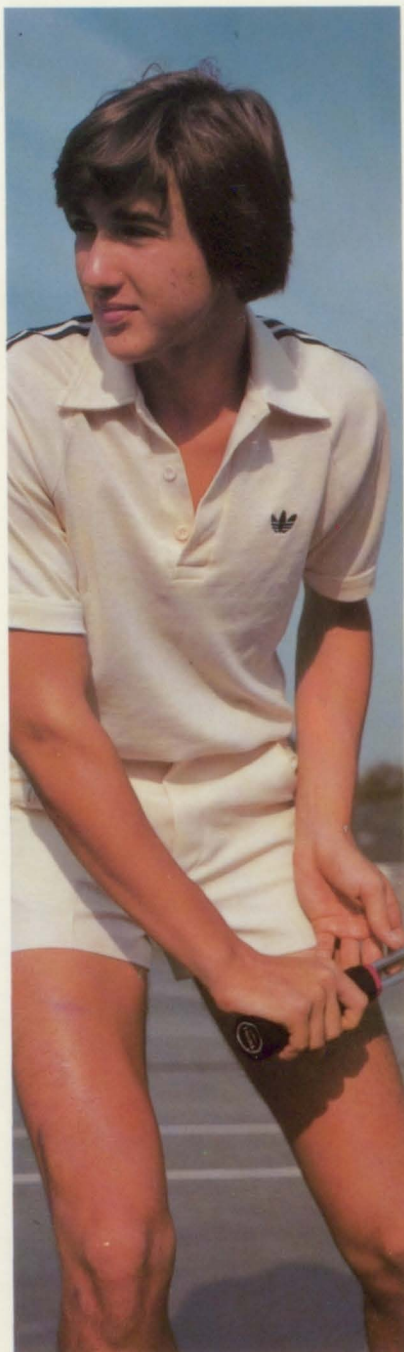

New Faces Appeared

Each new school year students looked forward to meeting old friends. And, as always, new faces appeared throughout the crowd. This year the students saw many new faculty members come in and join the ranks as cowboy supporters. A new senior and junior counselor brought new solutions to the ever-present problems of running a large school. New vitality was brought to the athletic department by new football and basketball coaches and new administrators helped the school run smoothly.

Is There Life After School?

Although the school day ends, the student's life is just beginning. He has homework, a job, or is involved in extracurricular activities such as athletics or band. Also, time is spent relaxing with friends or going out for a night on the town.

• Not only is the end of the school day a break for the students, it is also a time of relaxation for the teachers.

The Crises

The 1980's ushered in new crises for the American economic, political, and social systems. The shocking realization that a foreign power was holding American citizens as hostages strained our political system. The U. S. boycott of the summer Olympic Games tested the patriotism of all our citizens, particularly those of our young athletes. Our economic system was put in jeopardy by our dependency on the vital supply of crude-oil from a few Mid-Eastern countries. This dependency fueled the flame of inflation which was robbing our pocketbooks and threatening the American way of life.

Today's Experiences Mold Tomorrow's Leaders

Southwood High School has always had a reputation for molding fine young men and women ready to meet the challenges of the world. Again this year, several students were named National Merit Scholars, fulfilling the annual tradition of Southwood. Southwood is full of many activities which help mold today's students into tomorrow's leaders.

Southwood's "Super Six"

The Southwood "Super Six" cheerleaders, under the sponsorship of Carol Shaffer, led SHS through another spirit-packed year. Headed by Sherry Adams, the group was most known for their funfilled pep rallies and exciting cheers. The Super Six participated in several competitions, one of which was in Magnolia, Arkansas. There they won 9 superior ratings in addition to winning the coveted spirit stick twice and being voted the "Most Spirited Squad." The group held many fundraising projects throughout the year, including a memoboard sale and a car wash. The Super Six made Southwood's eleventh year one that will not soon be forgotten.

Southwood Chapparelles

The Southwood Chapparelles, under the leadership of Mrs. Betty Jordan, adorned the field this year once again in their traditional western uniforms. Composed of 127 girls, the marchers provided entertainment at games by forming a gun, horseshoe, and several other formations always concluding with the traditional cowboy boot. With the guidance of Marshal Cindy Stockman and Deputy Marshal Debbie Morgan, the chapparelles worked hard to promote spirit throughout all areas of Cowboy life.

fans. The Spurs delighted many audiences with performances to such songs as "Hot Stuff," "Dim All the Lights," and several other popular tunes. The Silver Spurs continued in their tradition by winning several top honors while attending a summer camp in Houston. A new attraction of the Spurs was a spring show — a unique performance of several different styles of dances. This year, the Silver Spurs, under the direction of Miss Nancy Gephardt, were led by their captain, Min Cha Paek and lieutenant, Beth Brannon.

Cowboys Hit Them With Their Best Shot

1

The Cowboy football team had a productive 1980 season. The athletic picture looked bright for the mighty Cowboys. The team possessed confidence and enthusiasm throughout the entire season. They demonstrated this by quickly jumping out to a 5-1 record and they never looked back. Coach Ken Ivey had the talent and the willingness to learn to mold a strong team. At the end of the season, the team's hard work was rewarded by posting a 5-5 overall record. Jimmy Harris, Mike Suggs and Russell Dolloff earned a position on first team all-district offense. Derris Wiman, Rick Watts, Greg Remedies, and Steve Lehr made second team all-district defense. This was Coach Ivey's first season as SHS head football coach, and he strived to complete a successful season. This year's team was very young and inexperienced. Coach Ivey will have the ability and experience to work with them next year, and he is looking toward an even more successful and outstanding season.

THE MIGHTY COWBOYS

The Mighty Cowboys had their winningest basketball season in the school's history. The Cowboys used teamwork and hustle to form a 12 game winning streak. Under the leadership of Coach Jim Randolph, this year's team won over 20 games during the season. The team also scored victories in two tournaments. The Cowboys won first place in the Haughton and Florien tournaments. Anthony Jefferson was named Most Valuable Player of the Haughton All-Tournament team. David Graham and Tim Hill were also selected for All-Tournament teams. As a reward to their success, the basketball team had their first pep rallies ever. The team would like to express their appreciation to Mr. Hennigan and the rest of the staff for their support. Coach Jim

Randolph hopes to continue the basketball dynasty he has started at Southwood and says, "I think our season is indicative of what hard work and dedication will do. I have been associated with high school basketball for 14 years and this is the finest group of young men that I have had the pleasure of working with."

Our Lovely Lady

Southwood's "Our Lovely Lady" Pageant was held January 23-24, 1981 in the Auditorium.

On Friday, the 23rd, the 50 contestants presented the song "If They Could See Me Now," while entering the stage. The contestants chose Metizi Dunn as Miss Congeniality and the judges chose the top 20 girls.

On Saturday, the 24th, at 11:30, the top 20 girls attended a luncheon at the Chateau. The judges personally interviewed each contestant. Later that evening, the top 10 were chosen. Questions were asked by the emcee, Chuck Smith, from "PM Magazine." Excitement fell upon the crowd as the judges chose the winners. "Our Lovely Lady" for 1981 was Suzy Boyd. Suzy Boyd is the daughter of Mr. and Mrs. A. L. Boyd. She plans to attend college and major in art for 2 years then extend her career in cosmetology.

There were also visiting queens. Among them were (1) six year old "Miss Petite Lovely;" (2) Chuck Smith, host of "PM Magazine," emceed our pageant; (3) The Student Council assisted in any way needed; (4) Leslie Adams, and (5) Laura Dowden were among the many entertainment.

ROUNDUP '81

4-H

The 4-H Club is an organization designed to develop the whole individual. It is made up of students from grades five through college. There are also adults who are a part of 4-H. The members are exposed to leadership, a variety of interesting experiments such as individual and group work, field trips, community services, and many other projects.

Our club is open to all interested students regardless of race, creed, color, or sex. 4-H specializes in all phases of agriculture, homemaking, early childhood development, plant and animal science, and many other occupational courses. In addition, not only is there the availability to learn, there is also the chance to compete for outstanding awards.

Progress Accents Wagner's Fifth Year

After a challenging start, Mr. Jewell Wagner finished the 1980-81 school year with flying colors. During his fifth year as principal of Southwood, Mr. Wagner saw many changes — a drop in attendance, the addition of paraprofessionals, a change in school schedule. Mr. Wagner spent many long hours working hard to help improve the students' working conditions. He could also be found mingling with the teachers and student body, improving lines of communication between the administration and pupils. In addition, Mr. Wagner spent much of his time in meetings, fighting to improve Southwood. Mr. Wagner worked hard to establish the high standards we now have at our school. Our students can indeed thank Mr. Jewell Wagner for helping make Southwood one of the finest schools in the area.

Assistant Principals Made

Many contributions by the assistant principals made the 1980-81 school year at Southwood one of the smoothest on record.

Mr. L. Wayne Hennigan sought to improve Southwood's faculty and curriculum. His supervision of counselors and evaluation of teachers gave students a strong leadership. He also evaluated the curriculum and took over the guidance of Southwood in Mr. Wagner's absence.

Successful Year Possible

Mrs. Martha Boone made her contributions in the area of faculty supervision. She conducted teacher in-service programs and sat in on classes in order to better advise the faculty members.

Mr. James White worked hard to instill discipline in the students of Southwood. His strong disciplinary measures in the areas of attendance, and behavior helped keep Southwood on top in student discipline.

Mr. Robert Alford gave his time to school discipline. He could be seen, walkie-talkie in hand, monitoring the school grounds and looking out for the safety of the students.

The students of Southwood should consider themselves fortunate to have such able-bodied people as our assistant principals to run our school.

Look to this day, for it is life.
In its brief course lie all the realities and
truths of existence, the joy of
growth, the splendor of action, the
glory of power.

For yesterday is but a memory,
And tomorrow is only a vision;
But today well lived makes every
yesterday a memory of happiness
and every tomorrow a vision of hope
Look well, therefore, to this day!

If you've ever wondered what kind of machine turns out your morning paper, we'll try to give you some idea.

First, it's a machine with ears, so it can hear all the news from Shreveport and the world. It's a machine with eyes, so it can see all the sports events and fashion shows from everywhere. It's a machine that can take photographs and draw pretty pictures to illustrate news and advertising for you. Of course, this machine has wheels so it can go many places, very fast. It brings you classified ads jammed full of all kinds of opportunities to buy or sell items, or to find a job, etc. This machine has a computerized brain to keep up with the many facets of producing a daily paper. There are gears and belts and a large handle to crank out thousands of newspapers every day before most people wake up. Life just wouldn't be the same without The Everything Machine and all the people who keep it going. In short, you turn The Everything Machine on!

Western Electric

Western Electric's Shreveport Works plays a major role in helping keep people in touch nationwide. It annually produces over half of the new telephones used in the Bell System. Established in 1965 in Southwest Shreveport, Western Electric has experienced impressive growth, being, for the past ten years, Louisiana's second largest manufacturing facility. Over 6,700 employees work daily to provide high quality telephone sets and related equipment for use in the world's finest telecommunications network.

Dear Teenager,

Why walk alone? I want to introduce you to two friends who love you and want you. The first is Jesus! He died a sinner's death on Calvary's cross for you. He wants you to accept Him as your personal Saviour and spend eternity with Him in Heaven. If you do, He promises never to leave you or forsake you! What a Friend!

I also want you to meet Calvary Baptist Church. It truly is a friend to teenagers. Shreveport's most aggressive youth program is here and you can find many opportunities to grow and serve. Jesus Christ and Calvary Baptist Church love you and want you.

The beginning of the 80's represents a new challenge to the students of Southwood. Our staff has dedicated this edition of the *ROUNDUP* to the challenges Southwood students will encounter in this new decade. Our purpose was to present pictorially your school activities for the year 1980-81, so that, in the future, when you look back at this edition of the *ROUNDUP*, you will recall the good times you had and the accomplishments you achieved.

I would like to express my thanks to the students, faculty and the administration. For without them this yearbook would not have been possible.

I would especially like to thank Mrs. Carol Mitchell for her exceptional work with the ad and circulation staffs and Mr. David Mauldin for his superior photographs and helpful suggestions.

A special thanks goes to our two dedicated sponsors, Mrs. Nina Morrison and Mr. E. A. Wilson, whose guidance molded a young and inexperienced group of students into a hard-working team.

Serving as editor of the 1981 *ROUNDUP* has provided me with a new and exciting challenge which will benefit me in the future. Thank you for this opportunity.

In Memoriam

... For though from out our bourn of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.
